LIFETIME MARATHON WARRANTY®

Effective 4-1-84; Rev. 5-15-2000

THIS WARRANTY IS EXPRESSLY LIMITED TO ORIGINAL RETAIL BUYERS OF SPX's OTC BRAND PRODUCTS OR PARTS ("OTC PRODUCTS"). THIS WARRANTY IS NOT ASSIGNABLE OR TRANSFERABLE. SPX MAKES NO WARRANTY TO ANYONE ELSE, INCLUDING OTHER PURCHASERS AND/OR USERS, AND NONE SHALL BE IMPLIED.

Except as otherwise provided in this warranty, OTC Products are warranted against defects in materials and workmanship for the life of the OTC Product, meaning that point in time when the OTC Product no longer functions due to normal wear. This warranty does not apply to electronic products, which are covered by separate warranties. Nor does this warranty apply to the following items, which may be incorporated into or sold with OTC Products and which are sold "as-is" with all faults: chains, batteries, electric motors, knives, and cutter blades. (Electric motors are warranted by their manufacturers under conditions stated in their warranties.)

The sole and exclusive remedy for any OTC Product found to be defective is repair or replacement, at the option of SPX. If this exclusive remedy is deemed to have failed of its essential purpose, SPX's liability shall not exceed the purchase price of the OTC Product. In no event will SPX be liable for any direct, indirect, special, incidental, or consequential damages (including lost profit) whether based on warranty, contract, tort, or any other legal theory.

This warranty does not cover any OTC Product that has been abused, altered, worn out, contaminated, rusted, heated, ground, damaged due to side loading, used for a purpose other than that for which it was intended, or used in a manner inconsistent with SPX/OTC's instructions regarding use. The existence of a defect shall be determined by SPX in accordance with procedures established by SPX. No one is authorized to make any statement or representation altering the terms of this warranty.

THIS WARRANTY IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

SOFTWARE

The above warranty applies to OTC Product software except that, instead of warranting against defects in materials and workmanship, SPX warrants that OTC Product software, when correctly installed, will execute its programmed instructions. SPX does not warrant that software will operate uninterrupted or error-free. OTC Product software is proprietary, confidential information protected under copyright law. Users have no right in or title to OTC Product software other than a limited right of use revocable by SPX. OTC Product software may not be transferred or disclosed without the written consent of SPX and may not be copied except in ordinary backup procedures.

REPAIR

Should your OTC Product require repair service, return it freight prepaid to an OTC authorized service center, and provide proof of purchase. If the OTC Product is covered by warranty, Bosch Automotive Service Solutions will return the repaired OTC Product, or a replacement, ground freight prepaid. If the OTC Product is determined to be out of warranty, it will be repaired for a reasonable charge plus return freight.

LIFETIME MARATHON WARRANTY®

Effective 4-1-84; Rev. 5-15-2000

THIS WARRANTY IS EXPRESSLY LIMITED TO ORIGINAL RETAIL BUYERS OF BOSCH AUTOMOTIVE SERVICE SOLUTIONS OTC BRAND PRODUCTS OR PARTS ("OTC PRODUCTS"). THIS WARRANTY IS NOT ASSIGNABLE OR TRANSFERABLE. BOSCH AUTOMOTIVE SERVICE SOLUTIONS MAKES NO WARRANTY TO ANYONE ELSE, INCLUDING OTHER PURCHASERS AND/OR USERS, AND NONE SHALL BE IMPLIED.

Sauf indication contraire dans cette garantie, les produits OTC sont garantis contre tous défauts de matériau et de fabrication pendant la durée de vie utile desdits produits, c'est-à-dire jusqu'au moment où le produit OTC ne fonctionne plus par suite d'usure normale. Cette garantie ne s'applique pas aux produits électroniques, qui sont couverts par des garanties séparées. Cette garantie ne s'applique pas non plus aux articles suivants, qui peuvent être incorporés dans ou vendus avec des produits OTC et qui sont vendus «tels quels» avec leurs éventuels défauts : chaînes, batteries ou piles, moteurs électriques, couteaux et lames de coupeurs. (Les moteurs électriques sont garantis par leurs fabricants sous les conditions indiquées dans leurs garanties.)

Le seul et exclusif recours pour tout produit OTC s'avérant défectueux est la réparation ou le remplacement, à l'option de SPX. Si ce recours exclusif est réputé avoir fait défaut à son objectif essentiel, la responsabilité de SPX ne dépassera pas le prix d'achat du produit OTC. En aucun cas SPX ne saurait être responsable de dommages directs, indirects, spéciaux, accidentels ou consécutifs (notamment le manque à gagner), qu'ils ressortent d'une garantie, d'un contrat, d'un délit civil ou de toute autre théorie juridique.

Cette garantie ne couvre aucun produit OTC qui aurait fait l'objet d'abus ou d'une modification, qui serait usé, contaminé, rouillé, qui aurait été chauffé, rectifié, endommagé par suite de chargement latéral, utilisé à des fins autres que celles auxquelles il était destiné ou d'une manière incompatible avec le mode d'emploi spécifié par SPX/OTC. L'existence d'un défaut sera déterminée par SPX conformément aux procédures établies par SPX. Personne n'est autorisé à faire des observations ou déclarations modifiant les termes de cette garantie.

CETTE GARANTIE REMPLACE TOUTE AUTRE GARANTIE, EXPRESSE OU TACITE, NOTAMMENT TOUTE GARANTIE DE VALEUR MARCHANDE OU DE CONVENANCE À DES FINS PARTICULIÈRES.

LOGICIEL

La garantie ci-dessus s'applique au logiciel des produits OTC à cette exception que, au lieu d'une garantie contre les défauts de matériau et de fabrication, SPX garantit que le logiciel des produits OTC, lorsqu'il est correctement installé, exécutera ses instructions programmées. SPX ne garantit pas que le logiciel fonctionnera sans interruption ou sans erreur. Le logiciel des produits OTC est une information exclusive et confidentielle protégée par la loi sur les droits d'auteurs. Les utilisateurs n'ont aucun droit ni titre sur le logiciel des produits OTC, autre qu'un droit limité d'utilisation révoquant par SPX. Le logiciel des produits OTC ne peut être ni transféré ni divulgué sans l'autorisation écrite de SPX ne ne doit pas être copié sauf pour des procédures ordinaires de sauvegarde de secours.

RÉPARATION

Au cas où un produit OTC exigerait une réparation, le renvoyer port payé à un centre d'entretien agréé OTC et fournir la preuve d'achat. Si le produit OTC est sous garantie, SPX retournera le produit OTC réparé ou son remplacement, frais d'envoi par voie terrestre prépayés. S'il est déterminé que le produit OTC est hors garantie, il sera réparé moyennant un coût raisonnable plus les frais de réexpédition.
